

A silhouette illustration of the Nativity scene. On the left, a shepherd stands with a staff, looking towards the right. Behind him are three other figures, likely the wise men, also looking right. In the foreground, three oxen and two donkeys are silhouetted against the background. On the right, a large angel with spread wings and a long, flowing robe is depicted in flight, looking down towards the figures. The background is a blue sky with stylized clouds and rays of light emanating from behind the angel. The overall scene is rendered in black silhouettes against a blue gradient background.
