

FELLOWSHIP BIBLE CHURCH

Sunday
October 11, 2009

Now faith is the substance of things hoped for, the evidence of things not seen.

Hebrews 11:1

FRIENDS OF THE WEEK

Ken and **Lisa Turnbull, Damarise, Hannah, Sarah, Ian** and **Andrew** have lived in Mozambique for several years learning the language and culture, originally intending to go to an unreached tribe with New Tribes Missions. However, the Lord had other plans for them, and they are working on starting up a Christian university for Africans. This year they are in the States, where Damarise and Hannah have started college and where Ken and Lisa are making contacts and preparations for the start-up of African Christian University. Pray for the Lord's direction in all the aspects of setting up the university and for health, safety and good adjustments this year for all the family.

Reminder of an ongoing matter for prayer: The work of the Pastoral Search Committee goes on and we need your prayer support. *Daily* ask the Lord to make known to us the man He has for us and also to make it known to him. It is necessary that you pray. Do not let the lengthy time cause you to become disconnected with this task.
