

FELLOWSHIP BIBLE CHURCH

Sunday
November 9, 2008

*But we see Jesus, who was made a little lower than the angels,
for the suffering of death crowned with glory and honor, that
He, by the grace of God, might taste death for everyone.*

Hebrews 2:9

FRIENDS OF THE WEEK

Andy and Phyllis Anderson founded the Christian Library in Budapest, Hungary, about five years ago, and have been running the library since then until this past September. During this time many people have found help and advice at the library, and many Christian groups have been able to meet there. Now that Andy and Phyllis have turned the operation of the library to new directors, pray that many will be blessed through that ministry, and pray for wisdom, resources and health for Andy and Phyllis as they move into a new aspect of the ministry. Come tonight to hear more details.
